

AMENDMENTS TO THE CLAIMS

Please amend the claims as indicated hereafter.

Claims:

1. (Currently Amended) A method, comprising:

applying a sticker to a dummy button, whereby the sticker includes a novelty design that a person would recognize as not symbolic of the intended purpose of the button.
2. (Original) The method of claim 1, wherein the button is a dashboard button.
3. (Canceled) The method of claim 2, wherein the dashboard button is a dummy button and has no intended purpose.
4. (Canceled) A sticker for applying to a button, the sticker comprising:

a novelty design that a person would recognize as symbolic of an unrealistic purpose for the button.
5. (Canceled) The sticker of claim 4, wherein the button is a dashboard button.
6. (Canceled) The sticker of claim 5, wherein the dashboard button is a dummy button and has no intended purpose.
7. (Original) A combination comprising:

a dummy-dashboard button; and

a sticker applied to the button, wherein the sticker comprises a novelty design that a person would recognize as symbolic of an unrealistic purpose for the button.
